MEET CHELSEY | CO-HOST

Chelsey Donn is an actor, writer, comedian, and podcaster who should've been a judge. She was born in Philadelphia, Pennsylvania to two proud Brooklyn natives and was raised in Southern New Jersey. Other notable credits include *Difficult People* (Hulu; EP Amy Poehler) *Arthur* (Warner Bros.; directed by Jason Winer) and *Onion News Network* (IFC). TESTIMONIAL

Admittedly, I'm obsessed with podcasts and I have a library filled with shows I am loyal to, but this one has become a fast favorite. It is the most consistent breath of fresh air, and I have [more than once] choked on my coffee from laughing unexpectedly. Trey Gerrald and Chelsey Donn are so engaging and genuine. They find the funny in everything and anything and manage to be so playful and hilarious, while still thought provoking and REAL! Great chemistry, Brilliant concept. Highly Highly Recommend everyone add this to your queue!!!
